for Medicare Advantage Plans

Onlife®
HEALTH

A Member Engagement Platform for Medicare Advantage Plans

Advantage+™ activates member engagement to improve the performance metrics used to determine the Star Ratings for Medicare Advantage plans.

Developed with Onlife's 20+ years of experience as a national wellness solutions provider, Advantage+™ connects, informs and motivates plan members to make smarter choices about their healthcare. On a single multi-modal platform, it delivers the technology, information and services to break down barriers and integrate healthcare into the daily lives of seniors.

Member Engagement as a Gap-Closure Strategy

Advantage+™ empowers members to take charge of their healthcare:

- Schedule a doctor's appointment and arrange transportation
- Receive appointment reminders to reduce costly no-shows
- Use a customized checklist to review gaps in care with their doctor
- Receive follow-up information after their visit
- Access personalized educational materials to help them stay healthy or manage a chronic condition.
- Receive customized incentives/rewards as motivation to close their specific gaps in care

Discover the power of Advantage+™ to improve the Star Rating of your Medicare Advantage plan. Contact Onlife Health today.

Replacing Reactive Medicine with Proactive Care

Ongoing personalized communications (web, text, email, print) encourage and motivate members to utilize essential medical services:

- Annual Wellness Exams (essential to classify a patient's medical condition in order to receive the correct Medicare reimbursement)
- Preventive Screenings
- Vaccines
